Dear Club,

I thought that I would share a recent experience I had with your readers. It all started a few weeks ago, on my friend Clare's hen night. The night was no different from any other hen night I've been on; pub crawl, drunk, taxi, all arriving back at Clare's house about 3am. Clare, Nadia, Heidi and myself then carried on drinking and chatting.

The subject of sex soon came up. We were all talking about our fantasies and it turned out that Clare had always had a fantasy of having sex with another girl and had always wanted to do this before she got married. Nadia made a joke that I should do her the honour as I am bisexual. It was laughed off as a joke and dismissed. I did point out, however, that she only had two weeks to fulfil her fantasy, so she'd better hurry up if she was going to do it. I thought no more of it until we were the last two still awake...

Ten minutes after the others had gone to bed, Clare suddenly leaned over, placed her lips on mine and paused. I was pleasantly surprised, as I had always secretly fancied Clare but thought she had no interest in girls. This was an opportunity I definitely wouldn't miss out on.

I gently put both my hands on her head and held her soft face against mine. I could feel both our heart rates increasing as we slowly started kissing each other, getting faster and faster, panting more and more by the second. Within minutes we were pulling at each other's

clothes, tearing them off. I pushed Clare onto her back and pinned her down to the floor holding her arms above her head with one of my hands and started kissing, nibbling and licking. Then I slowly moved down her body. By this time she was gasping with pleasure.

I managed to unclip Clare's bra and pulled her thong off. Then she lifted her knees up and opened her legs invitingly. I held her hands down at her side, so I could move my face in-between her legs. Her breathing was getting louder and louder. I pushed my tongue in-between her wet lips and made one sweeping lick from back to front, whilst she squirmed around under me.

I nibbled at Clare's clit and inserted two fingers inside her slick pussy. She kept gasping, wriggling from side to side. I pulled away, teasing her, moved back up her body

“I slid a couple of fingers into her dripping hole and started to frig her.”

and we kissed passionately, grinding our bodies together. I let go of her hands and she pushed my head back down and thrust my face back between her legs. There was no doubt what my soon-to-be-wed wanted! I dipped my tongue in and out of her pussy and sucked at her swollen clit. As I thrust my fingers in and out of her she suddenly let out a loud groan and climaxed. Her juices poured all over my face.

We lay together panting for a short while, then she took the initiative and rolled me onto my back, spread my legs apart and started to suck me off. She pushed her fingers inside me and rubbed me frantically. She was definitely a quick learner, as it only took me a couple of moments before I came just as much as Clare had.

Clare's married now but she tells me our experience made a good sexy story to tell her husband on their first night together.

Dear Club,

What an excellent Saturday night I just had! I was out with my girlfriend Gemma and a group of friends in a new bar on Kings Road

in London. All the group was in a really wild mood.

Sometime in the early hours everyone was ready to head off home. Gemma, Tina and I all headed off together, hoping to pick up a cab along the way. We walked over Albert Bridge and along the side of Battersea Park on our way.

As we were walking, Gemma started playing around with Tina, flirting with her and pinching her bottom. Gemma and I have long shared a fantasy – to have another girl join in with us but never thought that the right situation would ever occur. But tonight I could see that this situation was on the cards and I knew that if I didn't say something soon I may miss this opportunity.

I whispered to Gemma, “Why don't you kiss her?” As far as we both knew, Tina had

“ I dipped my tongue in and out of her pussy and sucked at her swollen clit.”

go into the park for some more, er, intimate fun?” she asked. Tina simply nodded her answer.

My cock was throbbing at the thought of the whole thing. Gemma grabbed Tina by the hand and we all ran into the park and up to a short wall not far

slowly.

I watched as Tina grabbed hold of Gemma’s hand and pulled it towards her pussy. My girlfriend inserted her fingers into her dripping hole and started to wank her off whilst licking at her clit. She was moaning so much I couldn’t bear it any longer! I got up and stood behind Gemma, pulled up her skirt up and yanked her g-string to one side. Then I slid a couple of fingers into her dripping hole and started to frig her.

The whole experience made me feel so naughty as I then inserted a third finger slowly into her tight pussy which I could tell she welcomed! I then pulled my slippery fingers out and pushed my hard cock against her tight hole and gently pushed it up her pussy, inch by inch. I had soon built up a steady rhythm in time with both the girls and it took no time at all before I climaxed, splashing the inside of her pussy with my steamy spunk.

To tell the truth, the girls didn’t come until we went home and carried on in bed, but I missed most of that because I passed out on the booze, but they told me what they had gotten up to!

Dave, London

never snogged a girl before so we knew that we would have to tread carefully to pull this one off. But Tina soon picked up on Gemma’s come-on and slid her hand onto her arse. Gemma grabbed the opportunity and pinned her up against a lamppost and started to kiss her slowly but firmly. It was very passionate! I pushed my body against Gemma’s so she could feel how turned-on I was, then I grabbed hold of her tits and squeezed them hard.

Gemma started kissing Tina more and more passionately, then paused. “Want to

from the entrance. Gemma put her coat on the wall and told Tina to sit down. I sat down next to her and waited to see what she was going to do.

Tina was wearing a very short denim skirt and high heels. She looked so sexy! Gemma slid her hand up Tina’s skirt and gently pulled down her lacy g-string. Tina opened her legs revealing her shaven pussy. Both of them were breathing very audibly by now. I unbuttoned my trousers and started gently wanking myself off. Gemma was now kneeling down in front of Tina, holding her legs open wide and licking her wet lips

Chelsea French has been keeping us randy for a number of years now, and the seductress has no intention of stopping anytime soon.

“Absolutely not, where would the fun in that be? I’m a woman who needs a daily shafting; otherwise, I can become a little grumpy. Pussy needs a meaty feed at least once a day you know.”

Is it possible that we’ve stumbled across Aphrodite? In any case its clear that Chelsea is a goddess!

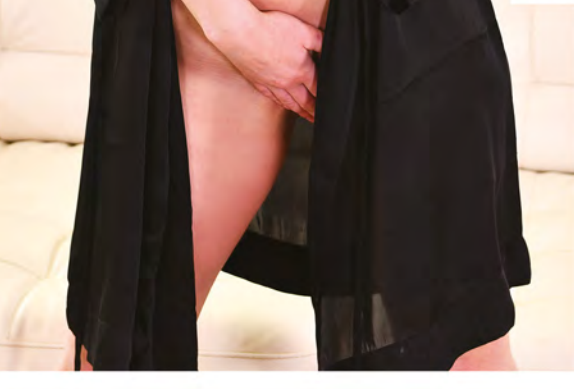

A blonde woman with long, wavy hair is posing on a bed with a patterned orange and white coverlet. She is wearing a red lace bra and matching red lace underwear with floral patterns. She is also wearing black thigh-high stockings and black high-heeled shoes. She has red lipstick and large black earrings. Her hands are resting on her thighs. In the background, there is a wooden headboard and a lamp with a beige shade.

Let it be known that we've seen some hot babes in our years at Paul Raymond, but Gigi is most definitely scaling the sky in our eyes, as the insatiable blonde leaves our mouth gaping with her see-through red lingerie set, complete with seamed stockings. There's just no stopping this woman and her magnetic attraction, we're having trouble tearing our eyes away, so we imagine any poor chap that crosses her path is fated to moon over this sassy babe for quite some time after.

For someone as youthful as Sybil, the petite brunette seems to us, wise beyond her years and coupled with a great sense of fun, you get the impression that being in Sybil's company is a most desirable thing, as is Sybil herself. Puffy pussy lips and shapely breasts are an instant draw, as is the neat little triangle of hair atop her mound. We dare your dick not to twitch over Sybil.

FANTASY FUCKFEST

Last weekend I had the most amazing night of my life and it was all thanks to you lot at Club. A year ago a friend of mine introduced me to porn magazines and yours was by far the best. The girls are all so good-looking and I really got off on the stories, especially those from 'Peaches'. They started to get me thinking about my own sexual fantasies and it didn't take long before I realised I was getting more and more turned on by the thought of anal sex. Not only that, but I reached the conclusion that I really wanted to try it. In fact, my ultimate fantasy was to have three or four men at once and to be videoed, having them take turns directing me, telling me how great I look and how hot I am.

About a week ago I made the fantastic mistake of getting very drunk in the pub after work and confiding my outrageous fantasy to a load of work mates in a game of 'Truth Or Dare'. The next day, when I realised exactly what I'd confessed, I was really embarrassed by what I'd said. I was also very hung over, so I decided to take the day off. It was Friday anyway, so I wouldn't miss much. But that night I received a really strange phone call from a man I work with called Alan. I've known him

for about six months and have always had a thing for him, but then so does everyone. He asked me why I hadn't been in work and said that he needed to see me urgently. I thought it was a little strange, but agreed to meet up with him all the same at a bar in town the

“He freed my breasts from my bra and eased his cock into my mouth.”

next day. I made sure that I looked perfect for our meeting; not too casual, not too smart. I put on my sexiest underwear, a red lace bra and matching g-string, a pair of tight jeans and a snug little black top that clung to my ample chest. I was excited and nervous at the same time, so I had a couple of vodkas before I left home to calm my nerves.

By the time I got to the bar Alan was already there and he looked great! After another couple of drinks and some random pleasantries I politely enquired as to why I had been summoned. He took my hand firmly in his and told me that he'd heard about my naughty little fantasy and had decided to take it upon himself to make it a reality. He said that he'd found the ideal location and that a few of his mates were also willing to help out. "How kind!" I said jokingly. Alan just laughed and ordered some more drinks. At first I didn't take the idea seriously, but as the night went on the thought of Alan and his sexy friends seemed more and more appealing.

By six we were both pretty tipsy. Alan ordered a taxi and we headed straight to his mate Jake's house, where the 'party' was being held. As I walked in I saw three gorgeous men sitting on a sofa swigging

from cans of beer and passing round a joint. In the middle of the room there was a futon covered in black and white pillows, surrounded by some huge lights which were incredibly bright. At the end of this makeshift 'set' stood a camera on a tripod. The men jumped up immediately and offered me a smoke, introducing themselves as Jake, Tom and Carl. After a couple of drags and some awkward conversation a wave of confidence hit me. "Come on then," I said. "Which one of you strong men wants to take me on first?" Alan came up behind me and began kissing my neck, while Jake went over to the camera. As Tom began arranging the lighting, Carl looked me straight in the eyes and said "I'll direct. Now strip down to your underwear." At first I was shocked, but did as I was told. Alan gently took my hand and led me over to the futon.

"I want you to kneel down and Alan to kneel behind you." We both did as we were instructed. Alan slipped my bra straps down and began pinching my nipples through the

trousers I knew I wasn't the only one. Then Carl undid his pants and began to stroke his big cock. Each man then followed his lead and they all began to slowly wank in unison. Carl continued his commands. "Now, as he takes your knickers off look straight into the camera." I couldn't believe how wet I was getting simply by being ordered about and obeying these requests. I lay back and opened my legs as wide as I could so that I was lying there totally exposed.

As I put my head back I could see that Alan was completely naked. His cock was magnificent, so thick and hard. He freed my breasts from my bra and eased his cock into my mouth, pinching and licking my hard nipples. I began to push my fingers in and out of my wet cunt while continuing to look straight at the camera.

"Tom. Go down on her," Carl barked. Tom positioned the lights so they honed in on my cunt. I could feel their warmth. Then he knelt down in-between my legs

and began licking and biting. The thought of being watched was too much and I soon came over Tom's face. But now I wanted much more than just foreplay, so I looked at Carl and screamed "Tell them to give me cock." Alan and Tom swapped places and I watched as Alan slid his thick cock into my hot hole. Then I took Tom's cock and began to suck it. I could see Carl wanking harder and harder as Alan pounded my pussy. Jake took the camera off the tripod and got down on his knees so he could get a better angle of my hole being skewered. Carl continued with his directions. "That's it baby. Look at the camera. See how hot these guys are for you. You're so sexy. That's it, baby. Let the world see how much you love cock."

Jake held the camera in one hand and his dick in the other, frantically jerking off. I released Tom from my mouth and changed position so that now I was squatting over Alan's cock. Tom took the hint and began to lubricate my darker hole with the juices that were running down my legs. He spread my cheeks wide open and began tonguing my tight little arse. It was like nothing else I had ever felt. I nearly exploded, but I managed to hold my position steady as I felt him nudge his ample cock against my sphincter and then, with a deep breath, ease it in. The three of us remained frozen, trying not to lose balance. Then Alan and Tom began pumping in perfect unison. I was totally stuffed, fuller than I'd ever been, and Jake didn't know where to aim the camera first. He slid down on the floor and aimed upwards so that he could see both my holes being fucked at once, then he got back up to get some shots of my face. Alan began biting my nipples, tweaking them harder and harder as both cocks pounded in and out. I turned my head to the side where

Jake and his camera were now positioned. I reached up and took his cock in my hand, feeding it slowly into my mouth, then started sucking for all my life was worth.

I could still hear Carl shouting "That's it baby. Harder. Faster. Suck it hard. Fuck those cocks, you dirty little cow. You were made to take cock." The noises that were coming from my mouth as I greedily gobbled Jake's hard dick and the tightness of my hole proved to be too much for Tom and he suddenly exploded inside me, squirting his hot and heavy load of love juice into my arse. Carl saw this as an opportunity

“ I felt him nudge his ample cock against my sphincter...”

to get some action for himself and quickly replaced his mate. His cock was slightly thicker than Tom's and I could feel my anus stretch as he rammed it up me. It was amazing. I couldn't believe that I had Alan's thick rod up my cunt, Carl up my arse and Jake's cock in my mouth. And the harder they fucked me, the harder I sucked. Finally I felt Jake's balls tighten and he spat his lovely wad all over my face. It tasted fantastic and I kept licking his cock so as not to waste a single drop. The two remaining guys started to get a bit rougher with me and I could soon feel another orgasm building. I bucked frantically, making sure that both their pricks were as far inside me as they could get and within minutes I had come all over them. Carl and Alan quickly followed by depositing yet more gorgeous spunk inside me and I squelched with satisfaction as they finally withdrew their sopping pricks from my arse and cunt. We all lay there for a while, too exhausted to be embarrassed by our wild sex orgy. Then Carl lit up a cigarette, and, casual as you like, said "Who's for some pizza, then?" Cocky git!

I still can't believe my dirtiest fuck fantasy has come true. Or that

the reality turned out to be even more filthy and fantastic than I'd imagined.

A full-page photograph of a woman with long brown hair, wearing a red lace bodysuit with cutouts and diamond-encrusted straps. She is posing in a bedroom with white curtains, a string of warm lights, and a bed with red rose petals. She is looking directly at the camera with a slight smile.

If you're wondering why this beautiful woman has such a delightful surname you'd have to blame her hippie parents, who opted to change theirs and Cathy didn't have much say in the matter.

"I hated my name at school. Everyone teased me, but by the time I left, I realised I was lucky to have such an unusual name. It gets me noticed – especially by men! My parents probably thought I would turn out quiet and serene like them, but I'm totally the opposite, and always ready to have a good time."

Hip, hip hooray for Cathy, because we wish we could climb into Heaven.

Look sharp, Sammi Tye is back in town.

"What do you mean, back in town? I never left!"

Don't mind us, we like to waffle sometimes, and your dead right Sammi, you never left, in fact completely the opposite, with appearances on Babestation and shooting left, right, and centre (no not you lot!), you've barely stood still it seems.

"I enjoy a hectic schedule, especially when it's something I like doing, for example, showing all your horny readers my pink pussy close up."

Sammi's a dirty devil, and that's just how we like her.

TO THE REAR

Up to a few years ago I felt a bit self-conscious about my figure. No problem with my 36F boobs, but I wasn't too sure about my bum. It isn't flabby, just fleshy and rounded, but it really sticks out, no matter what clothes I wear, especially if they're tight.

A couple of months ago, I was in a pub with friends when this Irish guy made a comment about my arse as I walked past him to the loo. I ignored him but when he did it again on the way back, I confronted him for getting so personal.

He didn't seem embarrassed, but said he was sorry if the phrase "big, gorgeous arse" – with the emphasis on the "gorgeous" – had offended me and would I have been as pissed off if he'd complimented my pretty face instead?

Trust me, not many blokes could have pulled off an excuse like that, but there was something about Aidan – the accent helped – that had me smiling back. He didn't steam in, but he kept up the banter throughout the night till I agreed to a date.

We went on several before anything happened – in the end, I was the one who decided a goodnight snog before I got a cab home wasn't enough. I told him he was coming back to mine and he said, "If you're sure...", although he looked pretty happy about it.

I'd worn a little black dress and got him to unzip the back of it, slowly. I unclipped my

bra and took it off, but Aidan kept unzipping, anticipation building in us both before he revealed the hot-pink satin thong I was wearing. It was slightly too small, so it was stretched tight against my caramel-coloured skin, and disappeared deep between my arse cheeks.

Aidan was trembling as he dropped down to place a kiss on each of them, and then he turned me around. We snogged and he gave my tits a bit of attention, but his hands were on my arse the first chance he got, squeezing, pulling them apart, sneaking his fingers in my crack till the tips touched the silky strip of my thong.

I thought he'd want to do me doggie style, but instead we ended up with him lying back and me naked on top, facing his feet. I teased him first, straddling his belly, grinding and mashing my arse against it as I wanked his dick and played with his balls. This got me horny as hell too – the juices were trickling out of my twat and soaking his skin, so I rose up and rubbed his helmet along my slit.

He was absolutely rigid, and finally he moaned that if I didn't want him cumming before he'd even slipped it in, I'd better fuck him right now. So I guided him to my opening then sunk down on him, squeezing tight as I pulled him inside me. Despite what he'd said about being on the edge, he lasted for ages, thrusting deep as I humped my pussy up and down against him. Now and again he'd fondle my arse, but he said later that he just liked lying back to watch it bounce and ripple as I rode him.

Finally, as I took him deep and gave his balls another massage, he stiffened from head to toe, then banged hard

into me, pulling me onto him by my thighs as his spunk spurted out deep inside me.

After he slid out, he had me lean forward, thrusting my arse back so he could watch the creamy juices run out of my pussy. He used his fingers to smear and rub them into my skin, keeping me on the boil, then he told me to back up.

Now I was sitting on his face, his tongue reaming my slit as he fucked me with two fingers. It wasn't long before I was cumming too, and he clamped his mouth over my pussy hole so he could taste it all. Every shudder of my orgasm sent a fresh wave out

"I guided him to my opening then sunk down on him, squeezing tight as I pulled him inside me."

and down his throat, and he didn't stop sucking till I was totally spent.

After that, we couldn't get enough of each other. We both like a night out so we went on more dates, but even so, we'd usually end up cutting them short so we could get each other into bed, or if Aidan picked me up at my place, we wouldn't even make it out the front door. The couple of times we didn't meet up because we needed to catch up on our sleep, he phoned me and asked me to play with my arse and pussy so he could wank off or he'd be awake all night!

I won't say all the fun was focused on my arse, but Aidan was never harder than when he was doing me from behind, or looking at or playing with it. So far, he'd only fucked me in my pussy, but then I'd feel his fingers creeping towards my arsehole, sometimes just rimming it, or maybe he'd use just the tip to tease it. Then one time, I wriggled back against him, encouraging him, and he slipped a finger right inside it.

He didn't ask anything more of me and I wondered did he want me to take the lead again, like the first time we'd fucked. There was only one way to find out.

The next time he came over to mine, he

I felt his cock pull out of my pussy and touch up against my even tighter hole..."

found my front door unlocked so he could let himself in. And I'd left a note in the middle of the hall carpet, telling him "Get naked, get hard, and join me in the bedroom."

I was almost fizzing with excitement when I heard him, and if he had to pause at all to wank himself fully stiff, it didn't take him long. He opened the door to find me naked and kneeling on the bed. I'd slathered lube all over my crack and slit and I had one hand working on my pussy, and a couple of fingers of the other one warming up my arse.

Aidan just moaned, "Fucking hell..." then got in behind me, giving me the usual kiss on both cheeks. I felt his cock brush up against them as he got into position, and I readied myself, splaying my legs slightly wider.

When I felt him slide balls-deep into my pussy, I almost came instantly from the feel of it, though I felt strangely disappointed that he'd chosen to fuck me there. But I kept playing with my arsehole, hoping he'd take the hint. Soon he moved my hand away and fingered around it, then dipped two inside it, gently swirling them, to relax and open me up.

"You sure you want it like this?" he asked, and I said yes, drawing in a breath as I felt his cock pull out of my pussy and touch up against my even tighter hole as his fingers came out of it. He scooped up a palmful of the lube and rubbed it over his shaft, then told me to push back against him and I did, feeling him press gently but firmly against my anal

opening. Then he said relax and as I did, his stiff prick inched inside me, slowly filling me up till I felt his pubes touch up against my crack.

At first he just stayed buried, letting me get used to the size of his cock up my arse. Then, slowly, he started to stir it around and as I moved against him, he began thrusting, shallow and easy at first, then building up till he was screwing me as hard and fast as he ever did in my pussy.

I was loving it. I usually came pretty quickly no matter how he fucked, licked or fingered me, but this was more intense than anything I'd felt before. He reached forward to cup my tits, trapping my nipples between his fingers, and I reached back to touch my clit.

I started cumming within seconds – it just sneaked up on me and everything else felt so full-on it took a moment before I realised what was happening and I felt my pussy flutter

around his prick. He carried on shagging me and I kept rubbing my clit and I suddenly realised what I'd felt was just a preview. Although my cunt was empty it seized up, then it felt like every muscle in my crotch and arse was cumming out of control, the warmth and pleasure spreading out till my entire body was glowing.

I slumped down, head resting on the pillow with my arse up in the air as Aidan neared his final few strokes, then he plunged in deep and I felt his cock jump inside me as he shot his load. My arse was flooded with his jizz and I shuddered again as he pulled out, and the warm wetness trickled down over my clit.

I don't want to hex things, but even though it's early days I feel like I've met my perfect match – sexually at least. And Aidan says he'd have a hell of a search to find another arse as sexy as mine. But I don't think he's going to go looking anytime soon, because I let him do whatever he likes to it, and I love it too...

What our well-placed moles are telling us this month...

DOWN THE WIRE

THE LISTENING BANK!

Life is tough for stupid criminals. After all, if you've got your heart set on \$20,000 when you rob a bank – the amount Arthur Bundrage, 28, of East Syracuse, New York asked for when he robbed the Alliance Bank – then that's what you should get. The bank clerk refused to hand over any money, but soon coughed up when Bundrage threatened him. Bundrage left the bank but, upon counting the money and finding it short of the

magic number, he returned to ask for the rest of it. Officers responding to the bank's alarm found Bundrage at the doors of the bank trying to get back in. Quit while you're ahead, son.

The bit*h shorted me!

Give me all your money

PIZZA HIT!

We've all waited in for pizza delivery, wondering if our Mighty Meaty has gone cold in the 40 minutes it has fucking well taken. But what if you get a pizza you never ordered? Delivered via a car? Through the front of your house? That's what happened when William Kise drove his Mustang into the house of a married Indianapolis couple recently. 41-year-old Kise caused \$30,000 of damage to the house, but didn't hurt the homeowners or any of their 4 kids. Kise admitted to drinking 5 beers, and had spilled Tabasco over his trousers. But the real bit of class. As he emerged from the car he'd just ploughed into their home, Kise turned to his victims and said, "You want some pizza?" Sadly, he'd already eaten it all...

It was an extra topper!

BONING!

There's a reason for all those excellent Swedish TV dramas that we watch in the UK – those Swedes are nuts. Police recently investigated a 37-year-old woman's apartment after reports of a firearm being discharged. On entering, the cops discovered over 100 parts of skeletons in her home, as well as pictures from a morgue, body bags, photographs of her licking a skull, and a CD entitled 'My Necrophilia'. She claimed to be collecting the bones for 'historical research', but the documents they found that detailed how to have sex with the dead might weigh against her. Christ, it must have looked like Ray Harryhausen's workshop in there!

This stuff goes right through me!

It looks like Tiffany is having a right old go at that lolly, and who can blame the blonde haired beauty as she dips her toes in the cool water. We asked her who the floating unicorn belonged to?

"Me of course, somebody gave it to me a jokey present and told me I was a rare prize."

We can see their point after watching you attend to that ice cream.

It's always pleasant when you see a face you recognise, especially if that face belongs to the gorgeous Kayla Louise who I haven't had the pleasure of at Club for quite some time. But thankfully the time has rolled around again, and Kayla is perched on our grey sofa looking like a ray of sunshine on a very miserable day for the time of year.

"Does it ever stop raining these days?"

So far this year has not been kind to us.

"You're telling me, I had to book a holiday to get away from the drizzle and get some sunshine into my life."

You look very happy for it.

"Of course, now let me show your readers what else makes me happy."

Be our guest, Miss Louise.

When the jungle drums started beating, signalling that Natalia Forrest was in the PRP building, it was like an apocalyptic mass exodus as we all rushed to catch a glimpse of the favoured beauty, who has been greatly missed across all our titles, but none more so than in Club, where the Natalia shaped hole has been felt keenly. But fear not, for the good lady is back and order restored, so just like you, we're now going to sit back and appreciate Miss Forrest in all her natural glory. A real treat for the eyes some would say.
